

Happy Hands Art

September 7 - November 15
Kedron Fieldhouse, Peachtree City

Class Description

Happy Hands Art Classes are parent/child classes that will focus on developing fine motor, sensory and creative skills in children 2-4 years of age. Parents and their children will complete an art project together each week in class using paints, scissors, glue, crayons, clay, pencils and more.

Classes begin with a special story time that relates to the art project. After story time, parents and children will begin creating the art project for that week. Lastly, at the end of each class, additional fine motor and educational activities will be available such as lacing beads, puzzles, play dough, building materials, and much more!

This is a wonderful class that will help your child develop important skills for his or her future. Don't miss it!

Younger siblings may attend with parents, however, only children ages 2-4 years may participate in the class.

Registration

Registration begins August 16 at the front desk of the Kedron Fieldhouse facility, or online at www.ptcrecreation.org.
